Hi all – please review asap so we can send to our managers to then send to Cynthia. I agree with Andy that we should indicate to our managers that this is a current working draft that is not in final form but is in substantially good form for sending to Cynthia for her discussions. If there are no further edits, then I will send a clean copy for folks to circulate to managers. Lynne, what is our deadline for management review? Thanks-Jacque

Looks great, Jacque. The only minor edit I saw was that there is a paragraph 69, but there is no text (so let's delete that hanging number in the next version).

Hi team – attached is the version with our edits combined. I'm sending a clean copy because the edits are getting confusing to follow. Please take a look at the technical portions, which I tweaked from what Karen sent. Let's talk tomorrow. I've got meetings all morning, but I'm available at 8 am central time if we want to talk then. Thanks-Jacquie
